Absences

If your child is going to be absent, please remember to report any absences by 8:00am

416-826-9451

Or 647-345-9451

Please leave a message on the school answering machine with child's name and reason for absence if possible.

It is easiest for the children to get in to the school day routine if the teachers are aware of who will be absent for that day.

Clothing

As the weather is getting very chilly, please be sure to send your child dressed appropriately in the event of a spontaneous Nature Walk/ Outdoor Play, walk to the Local Library.

Hats, mitts, neck warmer, boots and a warm jacket. Spare outerwear is at school for children to borrow.

Classroom Community

We have been working on our "What makes a good classroom Rules". In class we remind one another of our rules. Such as :

" Your hands are not for hitting, for hitting, for hitting

Your hands are not for hitting

So keep your hands down!

Give a gentle touch or a BIG hug

Mrs. Kerry-Ann is thoroughly pleased with the daily reports and am ever so grateful the classroom is running as smoothly as it is.

Miss. Ashleigh will continue to come into preschool until her

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of communication that you've

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
